

Accessing Student Assessment Results from the Parent Portal

Assessment Reporting is Now Online!

Beginning August 21, 2017, parents will be able to access their currently enrolled student's assessment results from the CCSD Campus Portal. This new feature is a convenient way to check state and district assessment results to determine your child's progress towards college-and-career readiness. Below are the steps to see the new **Assessment** tab, which will help with understanding your child's academic achievement.

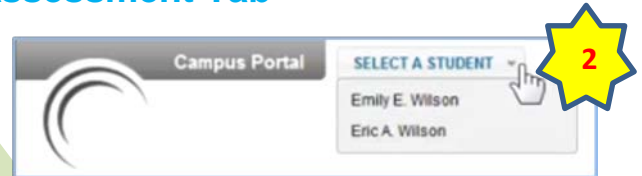

Step 1: Access the Parent Portal using the following URL:
<https://campus.ccsd.net/campus/portal/clark.jsp>

Campus Portal Tip! Click [here](#) to access Campus Portal parent information regarding technical assistance, frequently asked questions (FAQs), and general portal guidance documentation.

Interpreting Student Assessment Results from the Parent Portal

The Clark County School District values and appreciates the collaboration with parents in ensuring student success. Understanding how the results impact state and district educational requirements are key to your child's academic success. The following information assists with understanding what the results mean to your child's ability to master the Nevada Academic Content Standards while satisfying state regulations for college-and-career readiness.

WIDA – English Language Proficiency Assessment (ELPA) Grades K-12

WIDA-ELPA results are displayed for the Language Domain and Composite-Overall, which is a combination of the Language Domain scores. The Result represents achievement levels, which range from 1.0 (beginner) to 6.0 (advanced).
