### ACTIVITIES/CLUB INFORMATION

Struggling in math or science? Realizing semester exams are in 3 weeks? Science National Honor Society is offering tutoring for math in room 821A and science in room 902

Senior boys: Have you been waiting 4 years to show off your charming personality, amazing talent, and catchy pickup lines? Then it's your time to shine! If you are interested in competing in the annual Mr. Panther pageant, there is a mandatory meeting immediately after school in **Room 204** on **Friday, December 8th**.

Feeling chilly? Need to warm up? The Advocates Club will be selling hot Ramen bowls during both lunches on Tuesday, December 5th for \$2. Proceeds from sales go to the Advocates Club Advantage Scholarship Fund that help provide \$500 college scholarships to deserving Palo students. We have saracha and other goodies to add to your ramen. Look for us in front corner of the cafeteria.

Hey Panthers...there is a growing need in our school community for students to have constant access to electronic devices that allow them to complete their school work in Google Classroom or check their grades on Infinite Campus. It is true that here at Palo Verde High School many students are blessed with the newest technology, but it is also true that many students struggle with their academic success because they lack basic technology for use at home.

So, The Advocates Club is putting out an "all call" to our Palo Community to search through your desks and drawers for technology such as stand alone computers, iPads, Chromebooks, laptops, SmartPhones, etc that are sitting around collecting dust and donate them to be cleaned up and repurposed for use by Palo students who need them in order to meet the demands of current curriculum and fulfil their dreams of graduation. Donations can be dropped off in the front office with Ms. Traci or in room 325 on or before December 22nd. If you plan on claiming your donation for tax purposes, you must complete the Receipt of Gift form at the time of drop off. Thank you!

Equality and Empowerment Club will meet after school in Room 228 from 2:30 to 3:15 p.m. on Tuesday, 12/12. Everyone is welcome.
