GENERAL ANNOUNCEMENTS

Students, blankets are not permitted to be used on campus for school safety reasons. Please wear proper jackets, coats, sweatshirts, sweatpants, gloves, mittens and scarves to keep warm as the weather gets colder. Blankets will be confiscated and sent to the dean's office. Also keep in mind that CCSD Dress Code Regulation 5131 specifically states that all headgear including hats, beanies, hoods, hair grooming aides like doo rags and head scarves are not permitted on campus. As it gets colder Palo Verde Administration does understand that these items are needed for warmth but they are expected to be removed when you are indoors.

ACTIVITIES/CLUB INFORMATION

Struggling in math or science? Realizing semester exams are next week? Science National Honor Society is offering tutoring for math in room 821A and science in room 902

Winter Week dress-up days are all next week:

Friday - Assembly Shirts/Crazy Hats

Hey Panthers...there is a growing need in our school community for students to have constant access to electronic devices that allow them to complete their school work in Google Classroom or check their grades on Infinite Campus. It is true that here at Palo Verde High School many students are blessed with the newest technology, but it is also true that many students struggle with their academic success because they lack basic technology for use at home.

So, The Advocates Club is putting out an “all call” to our Palo Community to search through your desks and drawers for technology such as stand-alone computers, iPads, Chromebooks, laptops, Smartphones, etc. that are sitting around collecting dust and donate them to be cleaned up and repurposed for use by Palo students who need them in order to meet the demands of current curriculum and fulfil their dreams of graduation. Donations can be dropped off in the front office with Ms. Traci or in room 325 on or before December 22nd. If you plan on claiming your donation for tax purposes, you must complete the Receipt of Gift form at the time of drop off. Thank you!
