

Parents:

Two steps must be taken in order for your child to attend Palo Verde High School for the 2018-2019 school year:

- 1) **Log onto the Parent portal through Infinite Campus to confirm and/or update all registration information.** If your address changed, you will need to submit in person proof to the registrar with a power, water, or gas bill. All other changes can be done online to be approved by the registrar. Contact Mrs. Graham (702) 799-1450 if you do not know your IC parent login information.
- 2) **SIGN the upcoming course request form your child will be bringing home in the upcoming weeks.** Your child has already met with his/her counselor and chosen classes for the upcoming year. Please sign the course request form and have your student return to the counseling office.
